

Innovative technology. Strict attention to quality.

The Ultra Cutter.™

The most efficient and dependable roof cutter on the market.

Honda
Ultra Cutter

The streamlined design, easy component accessibility, and high-quality components of the Garlock Ultra Cutter will increase your overall production and reduce the maintenance problems associated with conventional roof cutters. Easy to operate and maneuver, the Ultra Cutter delivers unmatched cutting performance.

11-hp Honda Ultra Cutter™

- 11-hp, Honda engine for maximum horsepower and smoother, cooler running operation
- The triple-wide v-belt with quick-change feature makes on-deck maintenance a reality
- The belt pulley is secured with an exclusive Taper-lok bushing—the strongest locking system available
- Cleaner air intake
- Improved depth-setting control

9-hp Honda Cutter

- Smooth and safe cutting performance with greater maneuverability
- Improved debris containment
- Easier component accessibility
- Pivoting blade guard ensures uniform contact with the roof surface and easier blade inspection
- Streamlined, ergonomic design with proper weight ratio over the blade

9-hp Vanguard Ultra Cutter

Ultra Cutter is also available with 9-hp Briggs and Stratton engine.
