Where Better Engineering Comes Out On

The 3610 Power Broom delivers the three most important features essential to power sweeping gravel

- #1. The Ability to Get Into Tight Spaces.
- #2. Deliver Extras Power Under Load.

The 3610 delivers all three of these capabilities with maneuverability, more horsepower and a poly-wire brush that actually scrubs the roof clean. In fact, no other sweeper in it's class delivers more features than the 3610 Power Broom. Give a 3610 a try on your next jobs and see for yourself if it's not biggest little sweeper you've ever used.
