

#30 DUMP TRAY

THE EXTRA HAULING CAPACITY YOU'VE BEEN ASKING FOR

The 30 cubic foot Dump Tray from Garlock offers you the extra hauling capacity you've been asking for in a debris hopper. Extra tall sides and wide loading area makes the #30 Dump Tray the perfect tray for large bulky tearoff, hauling tools and equipment, or just about anything else you can think of. Perfect for use on 1 or 2 story buildings where you can dump over the roof edge into a rolloff box or dump truck. You won't believe how easy it is to dump a big 800 lb. load. Perfectly balanced, solidly built, and simple to use, the #30 Dump Tray is an indispensable part of your rooftop material handling fleet. The fact is, you can't buy a bigger, better designed debris tray anywhere.

Important Features:

- 800 lb. payload capacity.
- 60" Wide x 42" Deep x 18.5" High; Weight 204 lbs.
- Huge 30 cubic foot capacity is largest in the industry.
- Exclusive handle feature offers simple locking design and incredible leverage for dumping the heaviest loads with ease.
- Four simple clamps secure tray to Garlock's Little Giant and Big Giant trailers.
- Multiple trailers can be hooked together for maximum debris hauling efficiency.

Exclusive handle design creates leverage allowing you to dump the heaviest loads with ease.

#16 DUMP TRAY

YET ANOTHER TEAROFF HAULING OPTION TO SPEED PRODUCTION AND INCREASE EFFICIENCY.

The #16 Dump Tray offers 16 cubic feet of debris hauling capacity designed specifically for use on higher jobs in conjunction with trash chutes. The narrow discharge opening funnels debris into your trash chute hopper and down the chute. The high sides and deep profile of the #16 Dump Tray make hauling pre-cut tearoff a snap. You can even mount the #16 on our Little Giant Trailer to dump sideways or to the rear, whichever works best for you. In addition, once mounted on our Big Giant Trailer, you can hook two #16's together for double the capacity without increasing the number of trips.

Important Features:

- 16.5 cubic foot capacity.
- Fits onto Garlock's Little Giant Trailer and dumps to the side or rear.
- Can be used in tandem with Garlock's Big Giant Trailer.
- Dumps into Garlock's Trash Chute Hopper.
- Telescopic handle slides out for leverage — easy to dump.
- 40" Wide x 44" Deep x 18" High; Weight 175 lbs.

Two #16 Dump Trays can be mounted on Garlock's Big Giant Trailer to double the capacity.
