

## F601S

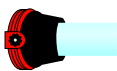

At only 76 pounds, this unit is one of the lightest in its class making it a breeze to roll through the yard. Ideal for residential clean up, it costs little more than a backpack, but is 2.5 times more powerful so you'll get your work done faster with less fatigue.

### Features

- 6 hp commercial engine
- 16-blade fan
- 3-year Subaru engine warranty

Only 76 LBS!

Airvolume= 2.5xbackpacks\*

## F901S and F901H

Step up to the commercial clean up power of a 9 HP blower. This unit is ideal for medium size maintenance contractors and large property owners. The optional trailer lock down kit and parking break are valuable time savers when loading and on hills.

### Features

- 9 hp commercial engine
- 15-blade fan
- 3-year Subaru and 2-year Honda engine warranty

5-year Housing Warranty

Airvolume= 3.5xbackpacks\*

## F1301H

13 HP of professional productivity, this Honda powered unit is a favorite for full-size landscapers, seal coaters, schools, parks departments, cemeteries, resorts, street departments, golf and estate properties.

### Features

- 13 hp commercial engine
- 15-blade fan
- 2-year Honda engine warranty

5-year Housing Warranty

Airvolume= 4.5xbackpacks\*

## F1801V

The ultimate in volume and power! A 6" discharge with air velocity of just under 200 mph will blow and push leaves and debris farther so you can clean up faster than with any other blower in our lineup. Most competitors don't even make 'em!

### Features

- 18 hp commercial engine
- 15-blade fan
- 2-year Vanguard engine warranty

5-year Housing Warranty

Airvolume= 5.5xbackpacks\*

\*Relative to most large backpacks

The patented Aim & Shoot™ swiveling nozzle directs hurricane-force winds where you need them most, with fingertip control and is lockable in three positions.

## Features/Benefits

**Thicker padded handles** and larger wheels are best in class for comfort and productivity.

**Powerful 15 and 16 Blade Fan** Computer designed for optimum performance, less weight, low noise, no rust and less stress on engine shaft. Compare to the competition.

**Quieter Than The Competition** The quiet operation of the Force™ compared to backpacks and steel blowers is a welcome relief among users and in neighborhoods.

**Stonger Than Steel** No rust, no dent volute housing is quiet, light and designed for max output, long life and productivity. Backed by a 5-year warranty.

## Accessories

**Forward Discharge Nozzle** (Optional for F6 series – part no. 441130; standard on F9 and F13 series) Clears out debris next to buildings, fences or hedges. Patent Pending.

**Quick Lock Down Kit** (Optional for F9, F13 and F18 models only. Part No. 440120) Quick trailer lock down attachment saves time.

**Parking Brake Kit** (Optional for F9, F13 and F18 models only. Part No. 440140) Prevents roll-aways on inclines and saves relocation time when you need to step away.

Force™ blowers are the best overall value in price, performance, and productivity.
